The more times you use this tutorial, the more. StarWars fans around the world unite! In Angry Birds Star Wars II, players use a series of bird-like creatures called Angry Birds to stop the galactic empire from winning. However, during a storm in the Gungans' home planet of Tatooine, the Imperial forces capture the birds, and the galaxy is once again under attack. As the leader of the Rebellion, the StarWars crew must band together to rescue the captive avians and restore peace to the galaxy.[2] While rescuing the birds, players will collect bonuses, including "Force Powers" like the ability to deflect laser beams. These "Force Powers" can also be used to pierce through obstacles, create mid-air walls
